

## DCVLGA v DMVGA 2021

Having missed all of the DCVLGA matches last year and most of them this year, it was good to return to some form of normality and reinstate the annual friendly match against the Devon Mens Vets. It was played at Great Torrington on 2<sup>nd</sup> September, with eights pairs from each side playing betterball matchplay. The weather was kind and the course was in good condition. Many of us were playing the course for the first time. The ladies won five of their matches, halved two and lost only one, resulting in a 6-2 victory. A great result for the ladies. Congratulations. After a delicious meal, the Mens Captain, Adrian Granville-Smith, presented our Lady Captain Rickie with a temporary 'substitute' trophy. Apparently, the official trophy 'went missing' several years ago and enquiries are being made to see whether it can be located. If anyone has any idea where it might be found, please could they let LC Rickie know.
